

ENQUIRY SHEET

BEP FLOAT VALVE

(For maintaining liquid levels in the tank.)

* Media = Water / Oil / Milk / Ghee / Chemicals – Pl. Specify

* Media Density = -----

* Working pressure Kg/cm² (g) = Min. -----

Max -----

* Working temp. (Degree C.) = -----

* Flow Rate Kg/hr = -----

* Required Size = -----

* Required End Connection = -----

Flanged to ASA / DIN / Others

Screwed to BSP (F) / BSPT (F) / NPT (F)

Socket Weld End

* Specific Requirement if any = -----
